Score Is 8 to 1 in Favor of League Baseball in Sunday Game.

Las Crucca, N. M., April 26.-The Las Druces league baseball team defeated the 20th infantry team from Fort Bliss the 20th infantry team from Fort Illiss at the local park Sunday afternoon by a score of 8 to 1. Though the score was rather enesided, the soldiers contested every play and incidentally, put up a how! every time a play went against them. Hay Sterling, one of the league umpires, handled the game and, from the standpoint of the fars, his work was very satisfactory. The soldiers did not appear to think so and put up many loud complaints on his decisions.

LAS CRUCES is certainly taking to league baseball. On Friday, every store and business house in the city closed its goors so that all their employes might attend the game between A and M college and the Rio Grande leaguers. And Sun-day there was another big crowd when the Fort Bliss all-stars played the league team. Las Cruces has the spirit of the national game now and has shown that it can support a club.

关 差 法 A. & M. college baseball players say the reason they were defeated by the Las Cruces league team by the hoodoo score of 13 to 0 was because the game was played on Friday, the 23d. Pretty hard combination of hoodoos to tackle,

JACK READ, the Australian light-J weight, explains his claim to the Canadian championship by his defeat of Harry Condon, who beat Harry Lustig, who beat Parsy Drouillard. Quite a chain of events, to be sure, and it hardly gives Read the right to the title. However, Jack evidently has the goods so why worry about titles?

SAM LANGFORD won mighty few friends when he took his sparting partner, Porky Flynn, to Mon-treal for a "bout" which was so rotten that the referee ordered the men out of the ring before it was half over. The New York state commission took enough notice of the farce to forbid Sam to box Joe Jeannette in that state. If some other commissions would take similar action, a few of the fakers would be put out of business.
